

### **Mainstage team member**

The Mainstage team deliver the two daily Mainstage sessions in partnership with the Music team. The Mainstage co-ordinator will organise your input into these two sessions.

The morning Mainstage session (25 minutes) is where children are welcomed to Lighthouse each day and the theme and story for the day are introduced using drama and worship songs

The afternoon Mainstage session (30 minutes) brings the day to a close with a recap of the day's theme and story, worship and messy games.

As a member of the Mainstage team, you may be involved in one or both of these sessions. During the rest of the day you will probably be volunteering in other areas. You are likely to be required to attend rehearsals of the day's activities before the Lighthouse week and/or at the end of the Lighthouse day.
